

F+B Collection Spring/Summer 2026

Tabletop

chilewich®

Chilewich brings depth to surfaces.

Reimagining the potential of extruded yarns, New York designer Sandy Chilewich introduced her woven textiles to the international design community in 2000. The innovative placemats, runners, tray liners, and custom table coverings soon replaced the generic tablecloth that once defined fine dining, transforming how restaurants and hotels around the world set their tables.

Today our design-led company's unique coverings for tabletops, floors, and more continue to push the boundaries of form and function. Designed and made in the United States, the ever-evolving F+B collection combines innovative weaves and distinctive colors with extraordinary durability and easy maintenance.

WOODGRAIN, Slate

Worktop

Originally developed with Chef Daniel Humm of Eleven Madison Park as a turn-key solution for the daily task of preparing the pass, Chilewich Worktop is a custom covering that addresses the functional demands and aesthetic priorities of professional hospitality environments. It protects essential surfaces with an elegant, durable woven layer that features a waterproof, non-slip backing. Beyond the back of house, Worktop is also ideal for in-room dining, banquets, meeting rooms, beverage stations, tray liners, and corporate kitchenettes.

Why Worktop?

- **Save time and money.** Avoid labor-intensive preparation, regular laundering, and frequent replacement of linen coverings.
- **Streamline setup and maintenance.** Expedite preparation and breakdown. Worktops can be wiped clean, scrubbed, or soaked.
- **Improve aesthetics.** Choose from a broad range of original Chilewich weaves and distinctive colors.
- **Reduce waste.** Conserve energy expenditure and water usage associated with linen coverings.
- **Add a layer of protection.** The woven textile of choice will be bonded to a water-resistant, non-stick, non-slip foam backing, which helps guard delicate surfaces from damage.

Product Information

MADE IN THE USA

Our products are designed, woven, and finished in the USA, with the following exceptions: Bloom, Dahlia, Daisy, Petal, and Rose placemats are made in Taiwan or China.

WOVEN WITH TERRASTRAND

We weave with TerraStrand. These extruded yarns are free of phthalates, which are derived from petroleum and used to make plastics soft and pliable. TerraStrand yarns are softened by a compound derived from soybean oil, which results in a 40% reduction in greenhouse gases compared to conventional vinyl.

RECYCLED CONTENT

Our rugs contain a minimum of 18% recycled content. By October 2026, all of our woven textiles will contain a minimum of 14% recycled content.

TOWARD A REGENERATIVE FUTURE

In September 2025, we began incorporating the enzymatic technology of Worry Free Plastics into TerraStrand yarns. This innovation accelerates the return to nature of our products at their end-of-life, without leaving microplastics behind.

STRENGTHENED BY MICROBAN

Our woven textiles are strengthened at the polymer level by Microban® antimicrobial protection, which works continuously for the lifetime of the product to inhibit the growth of stain- and odor-causing bacteria, mold, and mildew.

CERTIFIED BY UL GREENGUARD

Our woven textiles have received UL Greenguard certification for indoor air quality. Based on rigorous testing standards, this trusted mark enables people to make informed, healthier choices. All certified products are subject to a review of the manufacturing process and routine testing to demonstrate minimal impact on the indoor environment.

PROTECTING ORIGINAL DESIGN ACROSS NORTH AMERICA.

Chilewich is pleased to participate in Be Original Americas: an association of like-minded brands, consumers, design professionals, educators, and institutions that recognize the importance of original design and are committed to the protection of its consumers and authors.

We are passionate about offering something new, whether it's a novel application, an innovative process, a repurposed technique, or a fresh juxtaposition of textures and colors.

Care Instructions

Keeping Chilewich products in peak condition is easy. Unlike many table mats and rugs, they can be washed with water and bio-degradable detergents, helping to reduce the energy and costs associated with laundering while maintaining a sleek, elegant look.

Table Mats	Simply wipe clean with soap, water, and sponge. Air dry. Do not iron. Do not machine wash.
Rugs	Best suited to dry surfaces. Vacuum or mop face of mat to clean. Air dry thoroughly. Occasionally lift and air out.
Shag Mats	Vacuum, shake out, or hose off to clean. Hang to dry. Occasionally lift and air out.

Lookbook Spring/Summer 2026

chilewich®

“I prefer to live in color,” the artist David Hockney has said. Our Spring/Summer collection combines the joy of color with the transformative power of texture. Woven and tufted foundations enhance bold, bright, and unexpected hues while allowing neutrals to reveal their nuances. Printed and pressed textiles introduce fresh perspectives with vivid precision.

Behind the Design

Led by a master weaver, the Chilewich design team develops original weaves, patterns, prints, and color combinations in our New York design studio. Seasonal debuts such as Wiggle came to life on the studio's dobbie loom, where undulating lines and thoughtfully sequenced hues gained depth through the dynamic interplay of warp and weft yarns. The result is one of our most striking textile designs to date, in which softened geometry is illuminated by spirited color.

Soft power. Offering a fresh perspective on classic zigzags, Wiggle embraces bold curves and joyful color. A closer look reveals the intricacy of its woven structure, in which thoughtfully sequenced hues both bracket and form the undulating lines.

Made to last. To prevent fraying, table runners and placemats are ultrasonically sealed along the edges.

Flutter

A breath of fresh air. With a textural surface that swirls like windswept leaves or petals, Flutter pushes the boundaries of weaving to evoke the rhythms of the natural world. Tonal hues enhance its dynamic yet refined character.

NEW COLORS

Basketweave

Spring forward. One of the oldest and simplest of weaving constructions, Basketweave is a Chilewich signature that allows us to express a unique chromatic point of view. The classic four-over-four construction is made freshly inviting by a serene new green and a lively mix of pastels. Attuned to the season, these hues are also carefully calibrated for year-round versatility.

BEGONIA

CELADON

BASKETWEAVE, Celadon

Staying power. Our rugs combine a resilient woven surface with a flexible, non-skid latex backing. Made with recycled materials, it adds stability and acts as a built-in rug pad.

BASKETWEAVE, Begonia

Conversation pieces. A playful homage to a venerable material, Pietra reimagines terrazzo's medley of marble, granite, and quartz chips as sleek, flat-woven foundations that wipe clean and dry quickly thanks to our tightly woven, phthalate-free TerraStrand yarns.

DEEP SEA

DESERT

PIETRA, Deep Sea

New dimensions. Pietra marks the debut of rugs that combine signature Chilewich textiles with the vibrant precision of digital printing.

Rose

Forever flowers. At once realistic and playfully stylized, Rose is a celebration of the timeless flower through a single high-centered bloom. Graphic lines and modern metallic hues add dimension to layers of opened petals, which give the rounded shape an organic character. This flexible openwork accessory acts as a decorative base for plates—or anything else that is placed on top.

BRASS

ROSE GOLD

SILVER

ROSE, Rose Gold

Lace made modern. Part of our ongoing series of “pressed” designs, Rose is delicate in appearance yet surprisingly resilient: a contemporary take on the ancient craft of lacemaking.

Dahlia Coasters

Cheers to a Chilewich classic. Our beloved Dahlia placemats are now available as coasters in gift-ready sets of six.

Citrus

CITRUS, Lemon

Sunny side up. Designed to add juicy color to any table, Citrus placemats combine the rich woven texture, indoor/outdoor durability, and easy care of our signature woven textiles with the vibrant precision of digital printing. Chilewich, with a twist.

Between earth and sky. Inspired by landscapes and seascapes, Horizon Stripe Shag floor mats encompass a dynamic range of color, from neutrals to bold hues, tapping into the power of narrow, rhythmically repeated lines to convey motion.

Made in the USA with tufted loops of TerraStrand yarns and a backing of weatherproof vinyl, Shag mats thrive indoors and out, all year round.
